Marc,

I am out of the country now and will be in the office on Tuesday. My schedule is open for a call after 11:00 am central.

Steve

**Subject:** Sealing Stipulation

I've been working on stipulation with Steve Cherry regarding the sealing of documents pursuant to the direction of the Court. I'd like to have a call with both of you to discuss a common position on this subject. Are you available tomorrow or Tuesday morning to discuss this? Thanks and happy new year to both of you.
